# MARYLAND GAZETTE.

THURSDAY, JULY 9, 1767.

*The following Act, paſſed laſt Seſſion, is inſerted at the Requeſt of ſeveral of our Correſpondents.*

An ACT to oblige Infected Ships, and other Veſſels, coming into this Province, to perform Quarantine.

WHEREAS great Miſchiefs have ariſen from the landing of Goods and Paſſengers from Ships and other Veſſels coming into this Province with Servants and *German* Paſſengers, by communicating to, and ſpreading amongſt the Inhabitants, dangerous infectious Diſtempers, begun at firſt by Numbers of People being cloſely confined together for long Times in a ſmall Space:

*Be it therefore Enacted, by the Right Honourable the Lord Proprietary, by and with the Advice and Conſent of his Lordſhip's Governor, and the Upper and Lower Houſes of Aſſembly, and the Authority of the ſame,* That no Ship or Veſſel whatſoever, coming into this Province after the Firſt Day of *May* next, and in which Ship or Veſſel there ſhall be imported more than Thirty Servants or Paſſengers, ſhall be admitted to make her Entry, or land or put on Shore any Goods, Paſſenger, or Servant, before the Maſter, together with Two other credible Perſons, ſhall make Oath before the Collector, or Naval Officer, with whom ſuch Ship or Veſſel ſhall firſt enter, 'That neither the Small-Pox, Jail-Fever, Yellow-'Fever, Flux, or any ſuch dangerous infectious 'Diſtemper, is, or hath been on board ſuch Ship 'or Veſſel, on her Paſſage, to the Knowledge or 'Belief of ſuch Captain, or other Perſons taking 'ſuch Oath reſpectively:" Which Oath the ſaid Collector, or Naval Officer, is hereby impowered and directed, perſonally, or by their Deputies, to adminiſter, and a Certificate thereof give, without Fee or Reward.

*And be it further Enacted,* That in caſe any ſuch Ship or Veſſel ſhall be offered to be entered, and ſuch Oath ſhall be refuſed to be made, or delayed for the Space of Forty-eight Hours thereafter, that then the Officer, to whom Application ſhall be made for Entry as aforeſaid, ſhall, and he is hereby enjoined and ſtrictly required immediately thereupon, to tranſmit and ſend a full and diſtinct Account and Information thereof, to the Governor or Commander in Chief of this Province for the Time being: And, on ſuch Information given as aforeſaid, ſuch Ship or Veſſel ſhall be obliged to make her Quarantine in ſuch Place or Places, for ſuch Time, and in ſuch Manner, as from Time to Time ſhall for that Purpoſe be directed by the Governor or Commander in Chief of this Province, for the Time being; and, that during the ſaid Time, and until the ſaid Ship or Veſſel ſhall be diſcharged of and from ſuch Quarantine, no Perſon coming, or Goods imported therein, ſhall come, or be put on Shore, or go on board any other Ship or Veſſel within this Province, nor ſhall any Perſon go on board ſuch Ship or Veſſel, obliged as aforeſaid to make Quarantine, without Licence firſt had and obtained from the Governor or Commander in Chief for the Time being, in ſuch Manner, and under ſuch Limitations and Reſtrictions as he ſhall think fit to grant or allow the ſame: And, that in caſe there ſhall be any Breach of the ſaid Quarantine, in any Reſpect, the Maſter, Commander, Chief Officer, or Perſon having the Charge of ſuch Ship or Veſſel, without ſuch Licence as aforeſaid, ſhall, if a Free Perſon, forfeit and pay One Hundred Pounds Sterling, to be recovered, with full Coſts of Suit, in any Court of Record within this Province, by Action of Debt, Bill of Indictment, Plaint or Information, wherein no Eſſoin, Protection, or Wager of Law, or more than one Imparlance, ſhall be allowed; and if a Servant or Slave, ſuffer ſuch corporal Puniſhment, by Whipping, not exceeding Thirty-nine Stripes, as by Two Juſtices of the Peace ſhall be ordered and adjudged, upon Complaint and Proof of ſuch Offence:

*And be it further Enacted,* That the Maſter or Commander of every Ship or Veſſel, importing above the ſaid Number of Paſſengers or Servants into this Province, after the ſaid Firſt Day of *May* next, ſhall, before the ſaid Ship or Veſſel ſhall be admitted to make her Entry, diſcover and diſcloſe to the Collector and Naval Officer aforeſaid, the Number of Paſſengers and Servants imported in ſuch Ship; and, if the Maſter or Commander of any ſuch Ship or Veſſel ſhall not make ſuch Diſcovery as aforeſaid, he ſhall forfeit and pay One Hundred Pounds Sterling, to be recovered as aforeſaid:

*And be it further Enacted,* That any Maſter or Commander of a Ship or Veſſel, importing above the ſaid Number of Paſſengers or Servants as aforeſaid, who ſhall land or put on Shore any Paſſenger, Servant, or Goods, from on board ſuch Ship, or ſhall ſell any Servant imported in ſuch Ship, and alſo every Perſon who ſhall buy any ſuch Servant, or knowingly entertain in his, or her Houſe, any Paſſenger or Servant, or receive any Goods imported in ſuch Ship, before Certificate obtained, of ſuch Oath being made as aforeſaid, ſhall reſpectively forfeit and pay Twenty Pounds Sterling, to be recovered as aforeſaid.

And whereas dangerous infectious Diſtempers frequently break out in Ships and Veſſels importing Paſſengers and Servants into this Province, on their Arrival here, after healthy Paſſages; *Be it therefore Enacted,* That even after ſuch Certificate obtained as aforeſaid, if it ſhall be made appear to the Governor or Commander in Chief of this Province, for the Time being, by Proof, on Oath of at leaſt Two credible Witneſſes, that the Paſſengers or Servants imported in ſuch Ship or Veſſel, or the Crew thereof, or any of them, are, or is infected with, or have the Jail or Yellow Fever, or any ſuch dangerous infectious Diſtemper, the Governor, or Commander in Chief, may thereupon order ſuch Ship or Veſſel to perform Quarantine, in the Manner aforeſaid, and under the ſame Penalties as are herein before mentioned, to all Perſons concerned.

*And be it therefore Enacted,* That any Perſon whatſoever, falſely and corruptly making the Oath aforeſaid, ſhall and may be proſecuted in the ſame Manner, and ſuffer the like Puniſhment as for wilful and corrupt Perjury. And that in any Suit or Proſecution for the Recovery of any Penalty under this Act, the Defendant or Defendants may, in the Diſcretion of the Court, be awarded to give ſpecial Bail, one Half of all which Penalties, where the Recovery ſhall be by Action of Debt or Information *quitam*, to the Uſe of the Informer, or him, her or them that ſhall ſue for and recover the ſame; and the other Half thereof ſhall be paid to the Sheriff of the County where the Recovery ſhall be had, and by him paid into the Hands of the Treaſurer of the Shore whereon the ſame ſhall be recovered, for the Uſe of the Public of this Province, to be applied and laid out in the Purchaſe of a Place, and building a Peſt-Houſe for the Reception of the Infected, as the General Aſſembly for the Time being ſhall direct; or where the Recovery ſhall be had, otherwiſe than by Action of Debt, or Information *quitam*, the whole of the ſaid Penalties ſhall be paid and applied to the Uſes laſt aforeſaid.

This Act to continue Three Years, and to the End of the next Seſſion of Aſſembly which ſhall happen after the Expiration of the ſaid Three Years.

LEGHORN, *March* 11.

THEY write from Corſica, that the Fortreſs of Capraia ſurrendered to the Malecontents on the 11th, and that the Garriſon were made Priſoners of War.

LONDON, *April* 16.

Yeſterday a Right Hon. Perſon laid the State of the Public before an auguſt Aſſembly, in ſuch a Manner as gained him great Applauſe; and 'tis ſaid mention was made of a Scheme that would ſoon be laid before them, which it was hoped would anſwer many ſalutary Purpoſes.

*Extract of a Letter from Leghorn, March* 18.

"We hear that among the Corſican Troops who ſtormed the Iſland of Capraia, there were ſeveral Engliſh Soldiers, whoſe Valour greatly contributed to the Succeſs of the Expedition."

It is ſaid that their Royal Highneſſes the Dukes of Glouceſter and Cumberland, are ſoon to be created Staff Officers on the Iriſh Eſtabliſhment.

Thurſday 108 Ship Cannon, of different Calibers, were ſent down the River in Lighters, to be put on board a Tranſport Veſſel at Deptford, ſaid to be intended for the Uſe of the Corſicans.

A Merchant at Leghorn has mentioned in a Letter to his Correſpondent in London, that General Paoli actually intended to ſet out on Affairs of Importance this Summer for England.

The Report of a Fleet of Men of War being ſoon to ſail for the Eaſt-Indies is premature, as no further Expence will be heaped upon the Public on the Company's Account, till Matters are finally accommodated between them and the Government.

The monopolizing Intereſts of an opulent Company, are, we hear, deſerted by many of thoſe who were lately ſuppoſed to be their Friends; yet the Opinion prevails, that nothing will be effectually done in that reſpect this Year.

A Scheme is ſaid to be in Agitation for removing the Neceſſity of impreſſing Seamen in any future War; and we hear, that the Body of the Nation, as in the Militia Bill, will be obliged to furniſh a ſufficient Number of Men for the public Service; and that they, on whom the Lot of Service may fall, will be obliged to find Subſtitutes, or go in Perſon themſelves.

*Extract of a Letter from Paris, to a Friend in London, dated April* 20.

"A better Harmony never ſubſiſted between the Two Nations than at preſent. Convinced of our Error in ſacrificing ſo many Millions as we did in the laſt War, to ſupport our Pretenſions to a few Acres of barren Land on the Banks of Ohio, which would not have produced as many ſingle Livres, and having now no Pompadours, to gratify whoſe Avarice and Ambition the Blood and Riches of the Nation were ſo indiſcriminately waſted, trifling Punctilios and mere Etiquettets will not embroil the two Kingdoms again in a Hurry; ſo that thoſe who foretold that the Peace of Verſailles would not be of Three Years ſtanding, have not proved themſelves either great Conjurors or great Politicians."

It is with Pleaſure we communicate to the Public the following Plan of Accommodation between the Government and the Eaſt-India-Company. The Chancellor of the Exchequer, for the Time being, ſhall be a Proprietor of the Eaſt-India Stock, equal to the preſent Capital Stock of the Company. The Management of the Affairs to remain in the ſame Channel they are at preſent (the ſaid Chancellor having only the Right of a ſingle Vote) and whatever Dividend is made half Yearly among the Proprietors, the like is to be paid him for Government.

By this Plan the great Objection about a Partnerſhip in Trade, and a Confuſion of Accounts is avoided, as alſo the Difficulty and Hazard of remitting the Revenue to England; the Government will receive whatever the Company can divide; it will, therefore, be for the Intereſt of Government to ſupport the Company; and will ever be for the Intereſt of the Company to divide as much as poſſible. The preſent Capital Stock of the Company being 3,200,000 and the Dividend of Ten per Cent. producing 320,000, the Stock of the Chancellor of the Exchequer will be the like Sum of 3,200,000, and the preſent Sum paid to Government will be 320,000 yearly. But the Stock and Dividend of the Chancellor of the Exchequer will riſe as that of the Company's is increaſed; and there is no Doubt but upon this Plan the Company's Dividends might be immediately raiſed to Twenty per Cent. the Chancellor of the Exchequer might receive a Dividend 640,000 per Annum. As it is allowed on all Hands, that the net Produce of the Revenue and the Company's Trade will not be leſs than Two Millions a Year Sterling; and this Dividend of Twenty per Cent. to the Chancellor of the Exchequer, and the Company together, will amount to no more than 1,280,000.

*April* 21, and 23. A Manifeſto, publiſhed by the General and Supreme Council of State of the Kingdom of Corſica, and dated the 17th of January laſt concludes thus;

"The Republic of Genoa, to whom our Propoſals * were tranſmitted by the French Miniſter, looked upon them with Horror, and rejected them with Diſdain; and once more the Mediation of his moſt Chriſtian Majeſty hath turned out to be fruitleſs and ineffectual.

"We have thought it our Duty, beloved People, to give an Account of the Motives; and of the Event of this Negotiation, to the End that we might make known to you, and to all the World, our ſincere Diſpoſitions to end the War by Means of an honourable and ſtable Accommodation, in conformity with the generous Intentions of his moſt Chriſtian Majeſty; and that we might make known the conſtant and obſtinate Reſolution of the Republic, to eteniſe this War, without any Hope

* *The Subſtance of their Propoſals was, "That the Corſican Nation ſhould never accept of any Propoſals of Peace with the Republic of Genoa, if ſhe did not agree, as preliminary Conditions, to acknowledge our Liberty, and the Independency of our Government; and doth not yield to us the few Places in the Kingdom of which ſhe is ſtill in Poſſeſſion.*

whatever of a good Concluſion, and with the ſole View of ſhedding human Blood from a Fit of Hatred and Revenge. From the long Experience of Thirty-ſeven Years, ſhe ought to be perſuaded and convinced, that ſhe has not Force ſufficient to ſubject us again to her Dominion; and that we are more than ever firm and reſolved to maintain, whatever it may coſt, the Rights of our antient Liberty, which we have recovered with the Effuſion of ſo much Blood.

" Perhaps the Republic may flatter herſelf, that ſhe will be able to excite anew, amongſt us, and in the internal Part of this Kingdom, the Spirit of Diſcord and Sedition, and ſo avail herſelf of our Diviſions. But beſides the Security which we have of the uſual Zeal of our People, and of their conſtant Anxiety to ſuſtain the common Cauſe, we have, in the Aſſembly of the Grand Council of the Nation, been careful to take the moſt efficacious Meaſures to prevent and render vain theſe pernicious Deſigns of our Enemies. And to this Purpoſe, we are alſo to ſend the moſt exact Inſtructions to all our Magiſtrates, to the End that they may watch with all poſſible Attention over the internal Tranquility and Security of the Kingdom, and may alſo confirm ſtill more the good Underſtanding and Harmony which actually ſubſiſts between us and the French Troops; continuing to ſhew them every Mark of Attention, and doing every Thing that can contribute to their Eaſe and Conveniency; ſo that we may give the Lie to the falſe and artificial Reports, which have been lately circulated by the Emiſſaries of the Republic, who have given it out, that a Rupture is immediately to follow between us and theſe Troops, who have Orders, as they repreſent, to proceed to Hoſtilities againſt us, in caſe that all Hopes of an Accommodation with Genoa are at an End. Whereas, on the contrary, we have the moſt certain Proof of the Impartiality of his moſt Chriſtian Majeſty, and of his Royal Satisfaction with the Opening given by us to the happy Concluſion of a Treaty.

" In order then to undeceive our Enemies, in their vain Hopes, of being capable to maintain the Sovereignty of this Kingdom, and to make them repent of their having neglected this opening for Peace, it is neceſſary to put ourſelves immediately in Condition to renew the War with greater Warmth, at the Termination of the Four Years fixed for the Reſidence of the French Troops in Corſica. This, beloved People, is the primary and important Object which will occupy the Conferences of the Ordinary *general Conſulta*, in the approaching Month of May. To this End then we give you Notice, and we ſeriouſly charge you to elect as your Procurators and Repreſentatives in this *general Conſulta*, Perſons endowed with Zeal and with Love for their Country, that, with unanimous Conſent, and with the greateſt Efficacy, we may chooſe and determine upon the Meaſures moſt proper for continuing with Ardour the War, in the Security that it will end with a happy Succeſs, and with a total Expulſion of our Enemies from the Kingdom. The good Cauſe which we ſuſtain, the Weakneſs of our Enemies, our Courage, animated with the Love of our Country, and, above all, the *Divine Aſſiſtance*, which has ever ſo ſenſibly manifeſted itſelf for us, give us an Aſſurance of every good End to our Enterprizes."

*April* 25, and 28. Her Majeſty is ſlightly Indiſpoſed, on which Account their Majeſties did not go Yeſterday to Richmond.

It is reported, that one particular great Man has this Week won upwards of 20,000*l.* by betting upon his own Horſe; which (contrary to the Knowing Ones Opinions) gained one of the Prizes at New-Market Races, and that another Nobleman loſt 14,000*l.* on the Occaſion.

Yeſterday Morning a private Maſs-Houſe was ſuppreſſed in Black-Lion Court, St. Giles's, where a Number of Poor Iriſh People had Aſſembled for their Devotions: Two Prieſts fled, and their Hearers were diſperſed without any Tumult. It is ſaid, in St. Giles's Pariſh only, there are upwards of 20,000 Papiſts.

It is ſaid Bills of Exchange, to a very large Amount, have this Week been remitted here, the Property of the Jeſuits, to be inveſted in our Funds, as the only Country in the World where their Property is thought by theſe Fathers to be perfectly ſecure.

We hear an authentic Liſt of the Number of Men of War built in foreign Countries, for the Service of France, ſince the Peace, diſtinguiſhing Particulars, has actually been tranſmitted home to the Miniſtry, by which it appears, that the Marine of that Kingdom has received a very conſiderable Addition during the laſt Three Years.

From Killarney in the County of Kerry in Ireland, we are told that one Laughlin Brady lately attempted to rob an Eagle's Neſt over the famous Lake in that Place, when the Parent Bird was in Sight; the Eagle flew at him with great Fierceneſs, upon which he tried to make a prudent Retreat, but being two precipitate, he ſlipped from the Rock and fell into the Lake. This Circumſtance would not have been attended with any fatal Conſequence, as he was an excellent Swimmer, had not the Eagle purſued him into the Water, and ſtriking with unceaſing Fury at his Head, reduced him to the Neceſſity of diving every Moment, ſo that he became quite exhauſted at length, and was drowned. A Neighbour of his, who was a Witneſs of the whole Tranſaction, but who could not aſſiſt him, gives this Account of the Affair; and it is remarkable, that when the Body was taken out of the Water, the Eyes were picked out of the Head, and the Face ſo dreadfully mangled, that a more ſhocking Spectacle could not be raiſed up to Imagination.

CORKE, *April* 30. Laſt Monday Two Companies of the 26th Regiment of Foot, deſtined for America, marched into this City.

Laſt Tueſday Nine Tranſport Ships arrived in our Harbour from London, to take the Troops on board, deſtined for America, and Three more are daily expected.

## BOSTON, *June* 22.

*Extract of a Letter from a Son of Liberty, now in London, to his Friend in New-England, dated the 11th of April, 1767.*

" The Houſe of Commons have appointed the Firſt Thurſday after the Holidays to enter upon the Conſideration of American Affairs. New-York, it is ſaid, will certainly receive ſome Chaſtiſement, for refuſing to billet the Troops: And Maſſachuſetts Bay for their warm Addreſſes, Reſolutions, &c. in their Squabbles with Governor B-----d. And many intend to have ſomething done that may reach all the Colonies. The only Chance for us ſeems to be, that it is now ſo late in the Seſſion, that they will hardly find Time to ripen any Plan replete with ſo much Difficulty and Delicacy, as they will find muſt attend any Meaſure they will chooſe to adopt."

## NEW-YORK, *June* 22.

By Capt. Newton from New-Providence, we have an Account of the Three French Seamen, who had lately been carried in as Priſoners there, for Murdering the Captain of a French Sloop, bound from the Miſſiſippi for Cape Françoiſ, ſome Time in March laſt, one of them turned King's Evidence; upon which the other Two had been condemned to die; and accordingly one was executed the 29th of May laſt, and afterwards hung in Chains; and that the other was to undergo the ſame Puniſhment on the Friday following. The Sloop had alſo been taken up and brought in without having been caſt away, as reported. We hear alſo that the Fiſhing for Treaſure on the Spaniſh Wreck, mentioned to have been caſt away ſome Time ago on the Bahama Banks, had not been ſo ſucceſsful as has been reported, but that the Wreckers were ſtill exerting their Powers in that Affair; and that the utmoſt they had recovered, would ſcarce amount to 20,000 Pieces of Eight.

It is ſaid ſtrict Orders are ſent to the Weſt-Indies, to obſerve and detect the New-England, New-York, and Philadelphia Captains of Veſſels, in ſelling Hats of their reſpective Provinces, which is prohibited, under a very ſevere Penalty, on the Captain and all concerned in it. Complaint having been made at Home of great Quantities being ſent from thoſe Colonies, of the fine Beaver Kind, to the great Prejudice of the Beaver Hat Trade at Home.

By Capt. Darrel from St. Vincent's, we learn, that the Engliſh Settlements on that Iſland proceed with a good deal of Life and Vigour, and that it bids fair to be one of the moſt flouriſhing Iſlands in the Weſt-Indies: Above one Hundred Hogſheads of Sugar have been made on it this laſt Seaſon, and it is ſuppoſed above Ten Times as much will be produced next Year:---That the Commiſſioners for diſpoſing of the Crown Lands in the new ceded Iſlands, having finiſhed that Buſineſs at Dominica, had come down to St. Vincent's a ſhort Time before Capt. Darrell left it, and were upon diſpoſing of the Remainder of the Land, that was left then unſold before.---Lands near the Chief Town, had been laſt Year ſold at above Fifty Pounds Sterling an Acre; the beſt of thoſe in the remote Parts of the Iſland, now ſold for about Twenty-five Pounds an Acre; and the rocky and mountainous Parts, with nothing but Woods and Stones on them, ſold from about 3*l.* to 5*l.* an Acre, according to the Situation thereof; and great Numbers of new Plantations were every Day improving with all the Diligence poſſible---A Civil Government was lately eſtabliſhed there, in the ſame Manner as it has heretofore been in the other Engliſh Iſlands, and every Meaſure taken to render the Inhabitants as Secure and Free as any other of his Majeſty's Subjects.

## ANNAPOLIS, JULY 9.

Laſt Week arrived here the Ship ALBION, Capt. SPENCER, from BRISTOL, with upwards of One Hundred of his Majeſty's Seven Years Paſſengers: By Means of a Ventilator on board, 'tis ſaid they are very healthy. The Ship has ſince proceeded for CHESTER River.

" The deplorable Havock lately made in the " Family of a Widow Lady on the Eaſtern Shore, " by that horrid contagious Diſtemper, com- " monly called the JAIL-FEVER, ought to give " freſh Warning to the Inhabitants of this Pro- " vince, how they admit this baneful Malady " into their Families. A caſual Viſit, it ſeems, " from one of the *Felons*, ſometime ſince impor- " ed in a *Convict* Ship, communicated the Di- " temper to the Negroes. It is confidently re- " ported that near Thirty People in this Family, " (among which the worthy Lady herſelf was " one) fell Victims to the Fury of this malig- " nant ravaging Peſtilence. Its Progreſs was ra- " pid, and its Virulence too powerful for all the " Skill and Aſſiduity of our ableſt Phyſicians; " nor did its Rage intermit, 'til, by a *Waſte* of " Lives, it wanted Subjects to prey upon.—— " What aggravated the afflicting Circumſtances " of this unhappy Family, was a total Suſpen- " ſion of thoſe tender Offices which this much " reſpected Lady might have expected from a " humane Neighbourhood. They could only " behold, with heart-felt Sympathy, a Diſtreſs " which they could not attempt to relieve with- " out the utmoſt Hazard of their own Lives. The " Caſe of Mr. HOWARD, near ANNAPOLIS, " who loſt his own Life, and many of his Fami- " ly, is a recent and notorious Inſtance of the " Malignity of this Diſtemper.——Moved by " a tender Concern for the Inhabitants, who " have too often felt the direful Rage of this " wide-waſting Contagion, our Aſſembly, at " their laſt Meeting, enacted a Quarantine " Law, which will probably give ſome Check " to its Introduction, and ſave the Lives of " Thouſands. It is to be wiſh'd that the People " may cheriſh an Act, ſo manifeſtly tending to " the Preſervation of their Lives, their Healths, " and their Property, and that they will take " every Meaſure in their Power, to forward the " Execution of it, and to obviate every Evaſion " which the Arts of intereſted Men can deviſe " to fruſtrate its Operation, and prevent the be- " neficial Purpoſe of our Legiſlature."

*** *All Advertiſements, intended for this* GAZETTE, *muſt be lodged at the* PRINTING-OFFICE, *on the Wedneſday, before* 12 *o'Clock, otherways they cannot be inſerted that Week: And all Perſons are deſired to take Notice, that no Advertiſements will meet with a Place in this Paper, unleſs for a Subſcriber, without the Money is ſent, and Poſtage paid, to prevent a Multiplicity of Accounts.*

LEFT with the Subſcriber, at SUSQUEHANNA Lower-Ferry, on the 8th Day of *June* laſt, by a Gentleman who ſeemed in a great Hurry to croſs the River, and took the Opportunity of a Battoe then croſſing, a bright Bay HORSE, about 14 Hands high, without any perceivable Ear-Mark or Brand; had with him a Saddle, Bridle, Portmanteau, Great-Coat, and Two Pair of old Stockings, who gave Orders for his being ſent after him. By the Gentleman's leaving the oppoſite Ferry, immediately after he got over, 'tis preſumed he left him intentionally.

## SCHEME
### OF THE
## *MARYLAND* LIBERTY LOTTERY.

THE Lower Houſe of Aſſembly of *Maryland* have conſtantly and ineffectually hitherto, ſince Seventeen Hundred and Thirty-nine, RESOLVED, That his Lordſhip hath no Right to collect Twelve-pence *per* Hogſhead on Tobacco exported.

A Conſtitutional Tax on the People to ſupport an Agent of the Appointment of the Lower Houſe, has been greatly deſired, frequently attempted, and as often refuſed by the Upper Houſe.

The Lower Houſe of Aſſembly contend, That the Clerk of the Council his reaſonable Reward, as well as every other Expence neceſſarily attending the Execution of the Power of Government, ought to be deſrayed out of the *Fines*, *Forfeitures*, *Amerciaments*, and *other Moniet* received by the Government for the Support thereof; and, "That Sentiment being directly oppoſite to the Opinion the Upper "Houſe had, on mature Conſideration, formed upon the "Subject of the Clerk of the Council's Claim," principally occaſioned the Non-payment of the Public Debt for upwards of Ten Years: The Diſtreſs of Trade for Want of a Circulating Medium, and the extreme Neceſſity of Public Creditors, compelled the Lower Houſe to agree to an Appeal to his Majeſty in Council, on the Subject Matter of Difference, without the Allotment of any Public Money for that Purpoſe, as the only Means to ſettle Diſputes, reſtore Public Credit, and lay a ſure Foundation for the future Eaſe and Good of the Province.

A Subſcription therefore, by RESOLVE of the Lower Houſe, has been Open'd, and Subſcriptions are taken in by every Member, for maintaining an Agent, and ſupporting the Appeal on the Part of the People, as well as obtaining Redreſs of their *other* Grievances; and, by RESOLVE alſo of the Lower Houſe, as an additional Means of raiſing Money for the ſame Purpoſes, the following SCHEME of a LOTTERY, by which to raiſe One Thouſand Pounds Common Money, is ſubmitted to the Public.
